Omission of Disclosures

In accordance with the Financial Reporting guidelines provided by the Casino Control Commission (the "CCC"), the Company has elected not to include certain disclosures, which have not significantly changed since filing the most recent Quarterly Report. Accordingly, the following disclosures have been omitted: Future Lease Obligations and certain Income Tax disclosures.

Revenue Recognition

Casino revenues consist of the net win from gaming activities, which is the difference between gaming wins and losses. Revenues from hotel and other services are recognized at the time the related services are performed.

Promotional Allowances

Gross revenues include the retail value of complimentary food, beverage, theater and hotel services furnished to patrons. The retail value of these promotional allowances is deducted to arrive at net revenues. As more fully disclosed in the paragraph "Recent Accounting Pronouncements" promotional allowances have been expanded to include cash rebates. The estimated cost of providing complimentary services and cash rebates to customers for the six months ended June 30, 2002 and 2001, respectively, were as follows:

	<u>2002</u>	<u>2001</u>
Food and Beverage	\$13,762	\$11,508
Rooms	5,779	5,681
Other	1,741	1,453
Bus Program Cash	5,858	7,122
Other Cash Complimentaries	<u>15,662</u>	<u>14,754</u>
	<u>\$42,802</u>	<u>\$40,518</u>

Cash and Cash Equivalents

The Company considers all highly liquid investments purchased with a maturity of three months or less, at the time of purchase, to be cash equivalents.

Inventories

Inventories of provisions and supplies are valued at the lower of cost (weighted average basis) or market.

Financial Instruments

The carrying amount of cash equivalents, receivables and all current liabilities approximates fair value due to their short-term nature. The fair value of a financial instrument is the amount at which the instrument could be exchanged in a current transaction between willing parties. After giving effect to their allowances, the Casino Reinvestment Development Authority (CRDA) bonds and deposits approximately indicate their fair value based upon their below market interest rates. The carrying amount of long-term debt is estimated to approximate its fair value as the stated rates approximate current rates.

Property and Equipment

Property and Equipment is carried at cost. Depreciation including amortization of capitalized leases is computed using the straight-line method. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized. Estimated useful lives for Property and Equipment are 5 to 15 years for Land Improvements, 10 to 40 years for buildings and 3 to 10 years for furniture and equipment.

Income Taxes

Deferred tax assets and liabilities represent the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases.

Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of a change in existing tax rates is recognized as an increase or decrease to the tax provision in the period that includes the enactment date.

The Company is included in the consolidated federal income tax group of HARRAH'S. Accordingly, income taxes are allocated based on the agreement, which reflects the separate return method except that tax benefits available to the Company are recognized when generated by the Company to the extent utilized by the group, including carrybacks.

Deferred Financing Cost

Costs associated with the issuance of debt have been deferred and are being amortized to interest expense over the life of the related indebtedness using the straight-line method that approximates the effective interest method.

Long-lived Assets

The provisions of Statement of Financial Accounting Standards ("SFAS") No. 121, "Accounting for the Impairment of Long-Lived Assets and for Long-Lived Assets to be Disposed of" requires, among other things, that an entity review its long lived assets and certain related intangibles for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be fully recoverable. The assessment for potential impairment is based primarily on the Company's ability to recover the unamortized balance of its long-lived assets from expected future cash flows from its operations on an undiscounted basis. The Company is not aware of any events or changes in circumstances that indicate that the carrying amount of any asset may be impaired.

Accounting Estimates

The preparation of these financial statements in conformity with generally accepted accounting principals requires the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from these estimates.

The Company provides an allowance for doubtful accounts arising from casino, hotel and other services, which is based upon a specific review of certain outstanding receivables and historical collection performance. In determining the amount of the allowance, the Company is required to make certain estimates and assumptions and actual results may differ from those assumptions.

Recent Accounting Pronouncements

In January 2001, the Emerging Issues Task Force ("EITF") reached a consensus on certain issues within Issue No. 00-22, "Accounting for 'Points' and Certain other Time-Based or Volume-Based Sales Incentive Offers, and Offers for Free products or Services to be Delivered in the Future" (EITF 00-22"). Application of EITF 00-22 is required for all interim and annual periods ending after February 15, 2001. EITF 00-22 requires volume-based cash rebates to be classified as a reduction of revenue. Accordingly, such rebates have been classified as promotional allowances. The Company previously classified these expenditures as gaming expense. Approximately \$21,520 and \$21,878 were reclassified from casino expenses to promotional allowances for the six months ended June 30, 2002 and 2001, respectively.

In June 2001, the Financial Accounting Standards Board ("FASB") issued SFAS No. 143, "Accounting for Asset Retirement Obligations" ("SFAS 143"). This standard addresses the financial accounting and reporting for obligations associated with the retirement of tangible long-lived assets and associated asset retirement costs. The standard is effective for fiscal years beginning after June 15, 2002. The Company's management does not expect the adoption of SFAS 143 to have a material impact on the Company's financial results.

In August 2001, the FASB issued SFAS No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets" ("SFAS 144"). This standard addresses financial accounting and reporting for the impairment or disposal of long-lived assets. The standard is effective for fiscal years beginning after December 15, 2001. The Company's management does not expect the adoption of SFAS 144 to have a material impact on the Company's financial results.

Recent Accounting Pronouncements (Cont)

In June 2001, the Financial Accounting Standards Board ("FASB") issued SFAS No. 142, "Goodwill and Other Intangible Assets" ("SFAS 142") effective January 2002. This standard provides new guidance regarding the recognition and measurement of intangible assets, eliminates the amortization of certain intangibles and requires annual assessments for impairment of intangible assets that are not subject to amortization. Early adoption for acquisitions prior to June 2001 was not allowed.

SFAS No. 142 was adopted by HET effective January 1, 2002. The detailed accounting entries necessary at the operating unit level were completed in the second quarter of 2002. The Company previously held these assets on the HET books. Prior to the accounting entries, the balance on the Company's books for Goodwill and Trademarks was zero, after the adoption of SFAS No 142, the balance of Goodwill and Trademarks on the Company's books was \$174,071 and \$61,271 respectively.

On July 31, 2002, The Company amended these agreements, effective January 1, 2002, to provide that no royalty and other related payments are due to SBO or HLV.
